Alex and Deb - please see below, HQ hoping for a call today on agenda, next media posting etc. I'm assuming you'd like to be involved (?). Please let me know if you are available, I'm glad to suggest a time to the group for a call but not sure who is organizing this effort or if I should jump in.

D.

Let's all jump on a quick call today to run through this with the expectation of approving it for release this afternoon or Monday. However, we do have some new information that we need to consider as a group first.

No worries and thanks - Emily will be off, but I'll be working tomorrow so don't hesitate to reach out and let me know what's needed and how we can help.

Thanks!
Dave

Generally looks good but I have questions. Also we need to push this and the op-ed review until tomorrow if that's okay.
